Re: Almeida Balla, Owner of Wedding Dreams Decorations

I am pleased to write this letter of recommendation for Almeida Balla, Owner of Wedding Dreams, who worked as our wedding decorator for our August 30th, 2014 wedding.

We planned our Kitchener-Waterloo wedding from Calgary, which was made a lot less complicated through the professional help of Wedding Dreams. From the beginning, Almeida was hardworking, dedicated, helpful, organized, responsive, detail oriented and reliable.

I had a very specific idea and vision of what I wanted our wedding reception to look like. Almeida worked with me every step of the way (at a distance), dedicated to helping me make our wedding day dreams come true. Almeida's friendly advice, welcoming smile made planning for our wedding decorations simple and enjoyable.

Every vendor that I partnered with, including my venue raved about their previous working relationship with Wedding Dreams. They ensured me that I was in good hands, and how professional, and impressive Wedding Dreams was. This really helped to solidify that I had made the right choice in choosing Almeida.

The real benefit of working with Almeida, and her team at Wedding Dreams was that our focus was to simply enjoy ourselves on our wedding day, instead of us, and our family and friends rushing around to decorate the venue the day of.

Almeia thought of and was on top of everything. She remembered all the little details. I noticed there were even little surprises at the venue the day of that I had forgotten about, but Almeida did without me even asking.

I hadn't seen our venue until the moment I walked in during our grand entrance. I was blown away. Almeida had definitely went above and beyond for us, and exceeded all our expectations of what a wedding decorator could do. She had captured my vision perfectly. Every bride should be able to feel like I did the day of their wedding, walking into their venue and feeling awed. Words cannot express how satisfied I was with Almeida's service, and creative ability.

I have no hesitation in recommending Almeida to anyone who is planning a wedding. I can honestly say that our wedding wouldn't be the same without Almeida, and the team at Wedding Dreams superior decorating skills.

Sincerely,

Joya Sauder
